Approach

Whitsunday Regional Council is aiming to reinvigorate Proserpine Main Street and identify key entry points into Proserpine. The Upgrade aims to enhance community pride, commercial vitality and social interaction by promoting the town's unique identity.

Council asked residents to view the Concept Plans and have their say in October 2018, by completing a short survey.

All Proserpine residents were strongly encouraged to participate in the survey either online at Your Say Whitsunday or in person at the Customer Service Centre.

Who took the survey?

88 responses received during the consultation period:

- 79 people completed the survey
- 9 people submitted comments in the online Guestbook
- 2 people submitted feedback via email

Do you like the ideas?

Snapshot of Feedback

"It is bright, fresh, inviting and looks fabulous"

"The laneways would be amazing and hopefully encourage more businesses into the area"

"I'm concerned that the plan has flora too close to roundabouts which may impede vision of drivers"

"It will make Prossy more modern and inviting"

HAVE YOUR SAY!

Proserpine Main Street Upgrade

Council is asking residents to have their say on concept plans to upgrade the main street of Proserpine, and new entryways into Proserpine from the Bruce Highway.

Consultation closes on Thursday 25th October.

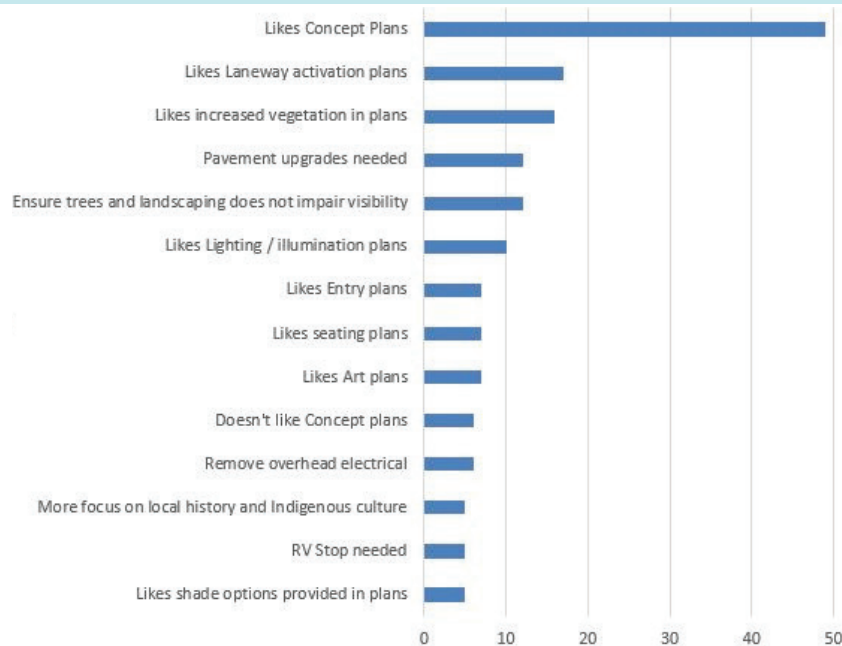

Please visit our website at yoursay.whitsundayrc.qld.gov.au

to find out more and leave your feedback online.

You can also visit our Customer Service Centre to view the concepts in person and complete a feedback form.

Next Steps

We are aiming to finalise the design by the end of 2018 and adopt the Plan in the new year. It is expected works will begin in May 2019.
